day

Pilgrims of Hope

Dear families,

This year Pope Francis has announced that the focus of the Jubilee will be Pilgrims of Hope. The Jubilee Year is a landmark moment in the life of the global church. School communities are invited to join together as pilgrims of hope, pledging to work together for God's kingdom of justice, peace and love. It is an opportunity to renew our faith, renew our love of God and to pledge to make a difference.

At St. Mary's we will all be Pilgrims of hope, helping others, being stewards for our planet and giving charitably to the world's poorest people. We hope you will join us on this journey.

God Bless,
Mrs. Sharkey
Deputy Head Teacher

Spring Term
24th January 2025

A Spotlight on Reception

This term in Maths we have been learning about mass and capacity. We have used the balance scales and lots of jugs and coloured water to help us!

In Literacy we have been very busy learning the story of the Little Red Hen, and also had fun making made some bread rolls just like the Little Red Hen. We also love being creative and making things.

We have so much fun in PE. We are learning to move around safely and follow instructions.
