

Friday 27th September 2019

We have had a very busy week at St Mary's.

Our annual Curriculum Meetings for parents in Y1-Y6 took place this week. By the end of today all parents should have received a Curriculum Overview Booklet for their child's year group and a copy of the topics they will be covering throughout the year.

Our Autumn Term Parent's Evenings will take place on Wednesday 16th and Thursday 17th October from 3.30 - 6.30pm. We look forward to meeting you again then

On Thursday, we held a coffee morning/afternoon to raise money for MacMillan Cancer Support. Staff donated cakes and we would like to thank Ms Watson and her team for organising this. Thank you to all those who attended and donated to this very worthy cause.

This morning, Miss Bell led our Harvest Festival celebration assembly. We had the opportunity to thank our school kitchen staff for the wonderful food they provide for us each day and they enjoyed joining us to sing 'All things bright and beautiful'. Thank you very much for the very generous donations which will benefit less fortunate people in our local community. A special thank you to Mrs Mudie, one of our Governors, for the beautiful wheatsheaf centrepiece.

Our Reception children have settled really well into St Mary's and this evening we look forward to welcoming their parents to a social evening hosted by the Friends of St Mary's.
