Emotional Well-being
in your Child'
6.30pm

Thur 6th February
'Inside Out' Day

Friday 7th February
Year 6 Class
Assembly - 9.00am

Miss Egan writes.....

Next week we have many activities planned to support the children to 'Find Your Brave' as we focus on Child Mental health Week. Over this weekend we would like families to take the opportunity to share occasions when they have been brave in trying something new of dealing with a fear and the children will have the opportunity to share their experiences in their classes during the week. On Monday, Mrs Johnson and Mrs Cullinan will lead an assembly to start the week and on Thursday, we would like the children to come to school wearing an outer part of their uniform 'inside out'! All will become clear, I promise! You will have received messages and flyers about our workshop for parents on Wednesday evening and we look forward to seeing you then.

We have been working hard to continue to review the curriculum we offer at St Mary's. This week we have uploaded our revised Curriculum Skills Overviews to the website and we hope you will continue to find this information useful as we work together to support the children's learning.

Australia Day

We raised £224.34 - Thank you

Following their Viking Day with History off the Page last week, Year 4 wowed us with their Class Assembly this morning. We learned so many interesting facts and these were very cleverly presented. The children have obviously thoroughly enjoyed this topic and we all wholeheartedly agree that.....

'VIKINGS ROCK'!!!
