

Dear Children

Following all the work we have done in school on friendship and kindness, we would like to offer an idea for you to do, during December, to continue thinking about this in preparation for Christmas.

It is called

‘The Giving Manger’

and celebrates the act of giving rather than receiving in the run up to Christmas.

You will need:

- A manger. You can be as creative as you like. Maybe find a small box or basket or have a go at making one like the picture above out of things you find at home.
- 25 strips of material or paper that can be used to ‘line’ the manger
- A baby Jesus - yes.....you can have a think about making one of these too!

From the beginning of December, each day, you have to complete an act of kindness for someone else, no matter how big or how small. As you do this, you can add a strip of material or paper to your manger. By 24th December, your manger will be lined and ready to receive the baby Jesus.

We look forward to seeing some photos of your mangers and hearing about your acts of kindness.
