

St Mary's Catholic Primary School
'Love God, Love Others, Love Ourselves'

Miss Egan writes.....

What a difference a year makes!!

This time last year, we were entering a time of uncertainty like no other and since then we have all had to face more than a few challenges in lots of different things.

The Easter season is a time for

HOPE
RENEWAL
and
NEW LIFE.

As we begin to look towards a gradual return to some things, there will be may be others that we will need, and indeed may want, to do differently. We pray for everyone in our school community and beyond - that the joy of the resurrection enables us all to look forward to new times with hope and a sense of peace.

Holy Week and Easter

Traditionally in school, we would have come together in the last week of this term to think about the events of Holy Week. This year, we invite you to share this story with your family at home.

Year 3 begin by recalling the events of Palm Sunday and Jesus' triumphant entry into Jerusalem.

Where is the Easter Bunny.....???????

This morning, we were very surprised to see a special visitor in our school.

He hopped across the playground.....

had a snooze on the bench.....

and left Easter eggs all around the school.

No one has seen him since and he left white footprints everywhere!! The Reception class cleaned them up but if anyone sees him the children would like a chat with him.....
