Design and
Technology Days

12th - 13th July

Year 6 Production
of Moana!

15th July

School Nurse
Drop-in sessions
2:30pm

First Aid Training!

On Tuesday 21st June, both Year 5 and Year 6 were given First Aid Training by Wayne from 'I Can Save a Life'. The children learn about the various reasons why someone may fall unconscious and what to do upon finding someone unconscious. They also learnt what to do if someone was choking; how to perform CPR and how to use a defibrillator. Both classes really enjoyed their training and left knowing extremely valuable, life-saving advice!

Mrs McNickle

Culture Capital in St Mary's

The following page on our school website is regularly updated so that you can find out information and view photographs of all the culture capital events your children have experienced:

Spotlight on Year 5!

Year 5 had a wonderful time at Suntrap, with impeccable manners, teamwork and a lot of fun we have created some amazing memories that we will all treasure forever. Although very hot, the children had a great time building dens, making fires and of course having marshmallows around the campfire.

The trip started with a lovely walk through Epping Forest with a few activities along the way.

Then once we got there we unpacked and had a delicious lunch and went on an adventure walk jumping over streams and climbing trees.

On Thursday, the children were up, showered and ready for the day. We collected sticks to make our own fires which the children then made toast with!

On the final day, the children were very excited to play drip, drip, drench (a water version of duck, duck, goose) which was really funny...even Miss Bishop got drenched!

Quotes from children - 'It was so fun being with my friends and our group leader was so cool!'. 'The pods were amazing, really comfortable and lots funny times'
