Socks Day for anti-
bullying week.

14th November

Year 5 going to the
Bank of England

15th November

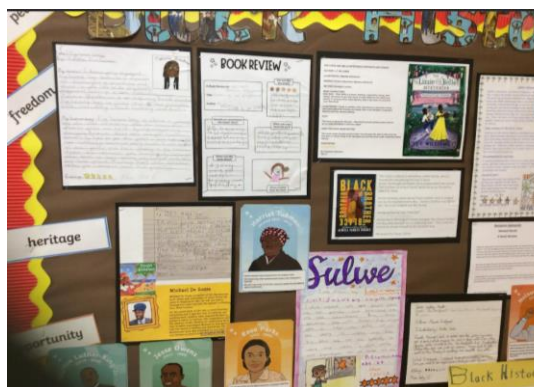

Year 3 going to
Natural History
Museum

Lots to celebrate

Hello families,

We have had a lovely start to the second half term with mass on All Saints Day in the church. We spent time learning our hymns and reflecting as a school, on those that we have lost.

We had some lovely submissions for our Black History Month reading competition which was run by the year 5 Reading Ambassadors – thank you to them and to the children who took the time to complete a book review.

We have had a visit from The Shakespeare Company for our year 5 and year 6 pupils this week which was a wonderful experience. The children were immersed in the story of Romeo and Juliet and even got to play key roles!

We have a very busy couple of weeks approaching so please keep an eye on Google Classroom pages and notice boards.

Mrs. Sharkey
Deputy Headteacher

A Spotlight on Year 6.

Year 6 had an amazing week in the Isle of Wight! We couldn't believe how quickly the week went by as we were having so much fun.

Our days were action packed from the moment we woke up until it was time for bed.

Throughout the different activities, we worked together as a team and encouraged each other to try our best.

We experienced a range of activities: abseiling, dragon boating, vertical challenge, trapeze, the giant swing, orienteering, Jacob's Ladder, zipwire and the (very muddy) sensory trail.

In each activity we challenged ourselves and overcame our fears. We achieved many goals and made memories which we will treasure forever.

Our trip to the Isle of Wight will definitely remain in our memories for the rest of our lives.
