Cakes and sweets
sale

2.2.24 - Year 4
parent assembly
and lunch

2.2.24 - Number
Day

9.2.24 - Year 5
parent assembly
and lunch

Happy New Year!

A big welcome back to all of our children. We hope you have had a lovely Christmas and we are all excited for what the spring term has to offer - it is a short, but busy one!

We have a lot planned in the coming weeks - it's almost National Story Telling Week and the reading Ambassadors have a lovely competition to keep an eye out for.

We will be learning about The Epiphany and Rosa Parks Day and before we know it, it will be Chinese New Year! Don't forget to keep an eye on Google Classrooms for regular updates.

Mrs. Sharkey
Deputy Headteacher

Spring Term
12th January 2024

A Spotlight on Reception

We have had a fantastic first term at school. Our focus in the beginning was making friends and joining in activities to help with communication and language and our physical development especially our fine motor skills like using playdough and writing our names.

In Understanding the World, we learnt about the Weather and Seasons and made some colourful wind socks to experiment with in the playground to see how windy it was and which direction the wind was coming from! We also try to use lots of fun, practical activities to learn about maths and help us with our counting.

We finally ended the term with a lovely Nativity performance and a special festive Christmas lunch. The children have had a great start to their school life and we would like to thank all of the Reception families for their help and support!
